

S. No.	Minor Project Titles with Training
1.	Digital Thermometer
2.	Infrared Remote controlled for home appliances switch
3.	Digital Combination Lock
4.	Security System Using laser Rays
5.	Digital Clock
6.	FM Transmitter
7.	Advanced FM Transmitter
8.	FM Receiver
9.	Multi Siron (Police siron, ambulance siron, Fire Brigade siron, Machine gun)
10.	Automatic Water level controller
11.	Automatic Water level controller with spoken Message
12.	Automatic advanced water level controller
13.	Fire alarm
14.	Automatic traffic light controller
15.	Gayatri Mantra mantra chanting machine
16.	Sun-Down switch(Advanced Street light controller)
17.	Visitor counter
18.	Pollution controlling Tower (It filters the solid particles from smoke)
19.	Effect of current through a magnetic coil

20.	Generation of electricity by moving magnetic field
21.	Clap switch
22.	Two digit industrial object counter
23.	Three digit industrial object counter
24.	Advanced Ni-Cad Battery Charger
25.	Mobile charger using IC 555
26.	Earth quack sensor
27.	Business shops shutter guard
28.	Robotic Car (Controlled By Wired Remote Control)
29.	Robotic Car (Controlled by Radio Frequency Remote control)
30.	Model Of Voting Machine
31.	Copper Electro Plating
32.	Wind Mill (Electricity generation by wind)
33.	Mobile shield
34.	Intelligent automatic Three phase shifter system
35.	Fastest Finger Quiz Master
36.	Disco Light (Running Lights)
37.	Magic tester (Can Detect electricity from distance and is very useful in finding faults)
38.	Fused Tube Glower (this circuit is used to glow even Fused tub light)
39.	Laser light fence (A Security system to cover your whole house)

40.	Parrot sound Electric Doorbell
41.	Over Voltage Electricity Tripping switch
42.	Power saving Electronic Choke For Tube-Lights
43.	Solid State Lamp (Bulb) dimmer
44.	Water level indicator (Shows the level of water in overhead water tank)
45.	Variable Regulated Power Supply (0-32Volts)
46.	Automatic Night Lamp
47.	Extra ordinary staircase light switch
48.	Automatic railway gate controller
49.	Ultrasonic mosquito repellent
50.	Letter box indicator
51.	Multi purpose mix amplifier
52.	Visual telephone locator (Electric bulb will glow on ringing the telephone bell)
53.	Quiz Timer
54.	Intercom
55.	Dancing bulb on music (the intensity of light changes with the sound)
56.	Listening bug
57.	Infra red shadow detector

58.	Temperature controller
59.	Zener diode tester
60.	Head phone amplifier
61.	Magic Organ (light operated music generation)
62..	Telephone tapping detector (If anyone lifts the phone in parallel connected phone)
63.	Toy Telephone
64.	Rain alarm
65.	Electronic magic door lock using password
66.	Lie detector
67.	Mosquito repellent machine
68.	Telephone Call detector
69.	Fuse tube light glower without any choke
70.	Morning alarm
71.	Magic telephone lock
72.	3 in 1 circuit (light blinker, rain alarm, water tank alarm, light detector)
73.	Low price hearing aid
74.	Rat repellent machine
75.	Automatic Phase Changer
76.	Flying Saucer

77.	Anti-Collision Rear Light
78.	Light Fence
79.	MAT Switch
80.	5-Bands Graphic Equalizer
81.	Clock Timer
82.	Fully Automatic Emergency Light
83.	IR Music Transmitter and Receiver
84.	Electronic Horn
85.	Ultrasonic Proximity Detector
86.	Secret Bell
87.	Variable Power Supply Using a Fixed-Voltage Regulator IC
88.	Appliance Timer-Cum-Clap Switch
89.	Telephone-Operated Calling System
90.	Front Door Guard
91.	Bell-Cum Light Controller
92.	Friendly Charger for Mobile Phones
93.	Hearing Aid
94.	Speed Control of DC Motor Using Pulse-Width Modulation
95.	Remote-Controlled Fan Regulator
96.	Low-Power Voltage Doublers
97.	Parrot-Sounding AC Doorbell

98.	Multi-Melody Generator with Instrumental Effect
99.	School/College Quiz Buzzer
100.	Visual AC Mains Voltage Indicator
101.	Simple Short-Wave Transmitter
102.	Solar Lighting System
103.	Infrared Bug
104.	Picnic Lamp
105.	Versatile Power Supply
106.	Ultrasonic Proximity Detector
107.	Shadow Alarm
108.	IR Burglar Deterrents
109.	Versatile Water-Level Controller
110.	Automatic-Off Timer for CD Players
111.	Heat-Sensitive Switch
112.	Sensitive Vibration Detector
113.	Digital Dice
114.	Remote-Controlled Power-Off Switch
115.	Little Door Guard
116.	Stress Meter
117.	Teleconferencing System
118.	Medium-Power FM Transmitter

119.	Smart Cell phone Holder
120.	Fuel Reserve Indicator for Vehicles
121.	Brake Failure Indicator

TechWiz Indore

303,3rd floor Madhur View,Tower Chouraha-Bhawarkuan Road

Near ICICI Bank, Indore. (M.P.)
